

CENTRE MANAGER

An exciting opportunity to join a vibrant and busy community centre.

The Madeley Centre manager position is ideal for an imaginative, self-motivated person with a variety of social organising and business skills and with the ability to manage a small team and work with volunteers, local groups and varied users in a collaborative way.

The post favours someone who relishes the challenge of maintaining and developing this established community hub as a buzzing social environment for the wider area. We need someone who will embrace the day-to-day demands of running The Centre and who will be pro-active in finding new clients and ventures so that the facilities are used to their full potential.

Finally, there is a need to focus on what needs to be done to maintain The Centre's long-term viability as a successful not-for-profit social enterprise.

Interested applicants should call or e-mail for an application pack and send a covering letter and CV indicating relevant skills, experience and qualifications.

Closing date for applications is noon on Thursday 18th February.

The Madeley Centre, New Road, Madeley CW3 9DN
